ABOUT US

Your partner for engineering plastics

La Victoria GmbH is the representation of EMS-CHEMIE (EMS-GRIVORY) for Bulgaria, based in Hombrechtikon, Switzerland. We advise on material selection and support the sourcing of engineering plastics.

Datasheets and test documents for the specific grade are available on request. Office in Hombrechtikon, warehouse in Rapperswil.

Office
Eichtalstrasse 53, 8634 Hombrechtikon

Warehouse
Holzwiesstrasse 50, 8645 Rapperswil

UID
CHE-403.203.754

Representation of EMS-CHEMIE (EMS-GRIVORY)
for Bulgaria, based in Hombrechtikon, Switzerland.

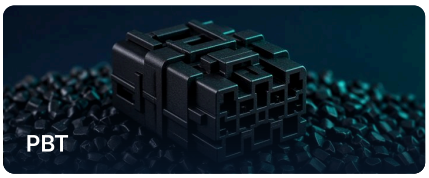

WHAT WE SUPPLY

Engineering plastics and plastic granules

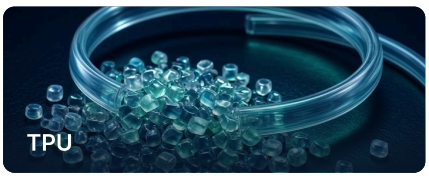

Advice
We clarify the open points with you and narrow down the right material.

Documents
Datasheets and test documents for the specific grade on request.

Sourcing
We support the sourcing of engineering plastics.

HOW IT WORKS

Three steps to your material

1

Inquiry

Send us your inquiry: material, quantity and application.

2

Quotation

We review your requirements and prepare a non-binding quotation.

3

Delivery

After your approval we support the sourcing – documents for the grade on request.

Helpful details for your inquiry

- Material or grade (e.g. PC, POM)
- Required quantity
- Special requirements
- Required documents (e.g. datasheet)
- Colour and application
- Requested delivery date

CONTACT

Send us your inquiry with your requirements – we will prepare a non-binding quotation.
